

BLUE OCEAN
Go Organic - Go Green

GO ORGANIC - GO GREEN

About BlueOcean

Established in 2021, Blue Ocean is a member of the Ocean Group JSC ecosystem - a leading diversified economic conglomerate in Vietnam. With nearly 20 years of formation and development, Ocean Group JSC has been and is asserting its brand in various fields of the economy, including Logistics - a field that Ocean Group JSC will enhance its position with Blue Ocean as a pioneering flag.

Blue Ocean has a mission to provide clean agricultural products to bring "green" value to community health and the environment. With a factory scale of 8.3 hectares and a team of over 300 skilled employees and modern technology, Blue Ocean supplies 10,000 tons of products to the market every year, meeting domestic demand and exporting to many countries around the world.

Certificate

Mission

We aim to become the trustworthy manufacturer and exporter of Vietnam's organic and hygienic agricultural produce to consumers around the world while committing to complying with Corporate Social Responsibility.

Vision

Our goal is to become the expert in the technical, operational and logistics know-how of agricultural produce supply chain, as a result offering worldwide consumers with best quality products.

Business Philosophy
